

Working with Volunteers

Volunteers are too valuable to lose

- # *Define the job***
- # *Involve your other workers***
- # *Interview selectively***
- # *Take up references***
- # *Brief your volunteers well***
- # *Support your volunteers***
- # *Reimburse expenses and provide insurance cover***
- # *Don't replace a paid worker by a volunteer***
- # *Don't expect results too quickly***
- # *Don't waste talent***
- # *Don't take on someone you don't need***
